

Summer Math Packet

Dear Havel Family,

We are providing a summer "Math Practice Packet" for students K-5, the packet will be split into two parts. The goal is to help keep students engaged and review concepts they learned this school year. We are planning TWO summer events to celebrate all students who complete their packets. One packet will be due mid to end of July and the other due mid to end of August. Havel teachers will be at the event to collect the packets and celebrate student's hard work. In addition to the summer packet we highly recommend that students continue to memorize ALL the basic facts up to 12s (+, - ; x, --).

There will be a phone blast announcing the date time and location of the Summer Math Packet "reward".

Your Dedicated Havel Staff

School is Out!

What will the child do second?

How do you know?
(underline your answer)

What is the favorite activity?
(underline your answer)

I am so excited for summer! I have so many things I want to do! First, I want to go to the pool. Next, I want to see my grandparents. Then I want to visit the zoo. Last, I can't wait for camp. I get to bring a tent and camp out in the dark! In the summer, I get to do many things. I love to relax before school starts again.

The Nurse

Our school nurse is really great.
 When I get hurt, she takes care of me. She cleans up my knee when I get a cut. She gives me an ice pack when I bump my head at recess. When I have a belly ache, she lets my lay down until I feel better. Our nurse even gives me socks if my feet get all wet from a puddle. Our nurse does so many nice things.

What does the nurse do for a bellyache?

How do you know?
 (underline your answer)

What does the nurse give if your feet get wet?

Worried

Who did Kevin miss most of all?

Kevin is not happy. Kevin wasn't sure if he would have any friends. Kevin missed his grandparents. Kevin missed his teachers. Kevin missed his friends from his class the most. At recess, Jake came up and smiled big. He said hi to Kevin. He asked Kevin to play. Kevin smiled. Maybe everything would be ok.

Play Park

Play park is so much fun! There is a roller coaster there that goes really fast. There is a pirate ship that goes back and forth. The haunted house has a really long line. I like to ride as much as I can, so I don't go into the haunted house. My favorite ride is the roller coaster. It has two loops. If it is hot when we go to the park, we get shaved ice and ride the raging rapids water ride. I always fall asleep in the car on the way home. I love Play park.

1. What is the main idea?

- a. I sleep on the way home
- b. Play park is fun
- c. The roller coaster is fun

2. Why does the kid eat shaved ice?

- a. It's cold outside
- b. They taste good
- c. It is hot outside

3. What ride goes back and forth?

- a. The pirate ship
- b. The roller coaster
- c. The haunted house

June Morning Work

My Dad

My dad is smart. He is good at math. He helps me with my homework when I get stuck. He showed me how to ride my bike without training wheels. I felt so happy. I was the first one to not have training wheels! He taught me how to tie my shoes. My dad also taught me how to swim under the water. I love when my dad reads books to me before bed. It is my favorite part of my day.

1. What is dad good at ?
 - a. Math
 - b. Reading
 - c. Science
2. He was first to do what?
 - a. Tie shoes
 - b. Ride without training wheels
 - c. Swim under water
3. What is best part of the day?
 - a. Doing homework
 - b. Reading in bed with dad
 - c. Tying shoes

What color is liked the most?

How many kids like purple?

Name _____

Good Driver

June Morning Work

When we are in the car, my mom asks me to help her. I read street signs. I have to be careful when I read, because we could make a wrong turn. I pay close attention. I like helping my mom. She says I will be a good driver one day. I like looking for our exits. I can tell my mom how many miles until the next stop. My mom says she is a good driver because I help her so much. I bet my mom gets lost when I am not with her. No wonder she is always late!

1. What does the child help mom do?
 - a. To shop
 - b. To drive
 - c. To clean

2. Why would mom get lost?
 - a. She makes a wrong turn
 - b. She wants to be late
 - c. She needs my help

3. How do you know he likes to help? (underline your answer, too)
